2023
Machine Pitch Baseball
Interleague and Special Games
Tournament Rules

MP Baseball Interleague Rules

I. Purpose

Interleague play provides teams the opportunity to play regular season games against other teams within the district. These interleague rules afford teams from different leagues to play by the same general guidelines which will apply to all fields of play. These rules differ from “ground rules”, whereas a ground rule is a specific issue associated with the local playing field. For example, at Rarick Field in Niceville, there is a tree that overhangs the center field fence. If a batted ball hits the tree, the ensuing action is dictated by the ground rules of Rarick Field. These ground rules shall be identified and discussed during the pre-game plate conference between the game UIC and Managers of both teams.

II. Age Specific Regulations for Special Games

The machine pitch division will consist of players league age 6-8. Any player who is league age 9 shall not be allowed to participate in the machine pitch division during the special games tournament. Each team shall submit an affidavit verifying each player’s league age before being allowed to participate in the special games tournament. Any team found to have a player that is not of the correct league age will be disqualified from the tournament and the manager shall not be permitted to manage or coach in any additional tournaments to include Sanctioned International tournament games.

III. Approval

These 2023 Florida District 1 Little League supplemental regulations and playing rules were developed by league and district officials to clarify and/or expand regulations and playing rules not otherwise addressed in the 2023 Little League official regulations and playing rules. These supplemental regulations and rules are not intended to and shall not supersede official Little League regulations and playing rules. The layout and format mirror the parent document for convenient cross reference. This supplement shall not duplicate or conflict with existing regulations and playing rules and therefore is not a stand-alone document. This supplement must be used in conjunction with the 2023 Little League official regulations and playing rules and available for reference at each game. These supplemental regulations and playing rules were approved by each leagues President of the Board of Directors and signed by the District Administrator on 02/12/2023.

IV. Playing Regulations

1. Regulation III (The Teams):

Only teams from the same division shall participate in interleague games. The teams will be from chartered Little League programs, unless otherwise approved under special games provisions by the District Administrator.

MP Baseball Interleague Rules

Each team shall maintain a complete and accurate scorebook throughout the season. The scorebooks will be made available for review by opposing managers prior to each game if requested.

Each team will play with 10 players on the field. The defensive team will have 4 outfielders all playing at outfield depth (no closer than 8-10' from the infield dirt on a normally skinned infield. No short fielder or extra fielder will be allowed. If a team cannot field 10 players, they may play with 9 or 8 players. No game shall be allowed to continue with less than 8 players on each team. Borrowing players from the other team for defense will not be allowed.

2. Time Limits:

- a. Regular Season Games: no new inning shall begin after 1 hour and 30 minutes.
- b. Park Day Special Games: a drop-dead time limit may be imposed to allow for multiple game scheduling. The President from both parks must agree to the drop-dead time and be approved by the District Administrator one week before the park day. This drop-dead time shall not be less than 1 hour and 20 minutes.
- c. Special Games Tournament: time limits may be set during the special games tournament. If a time limit is set, it shall not be less than 1 hour and 45 minutes to start a new inning. No drop-dead time limit will be allowed for any special games tournament.

3. Safety:

- a. No fielder shall be closer than 30 feet away from the batter's box until the ball crosses the plate or is hit. A solid or dashed 30' arc will be striped for reference. Unintentional violation by a fielder will be ruled a no pitch to the batter. At the Umpire's discretion, bases may be awarded to the batter/runner(s) for any intentional or repeated violations of the 30' arc by a fielder.
- b. The player pitcher on the team in the field does not pitch; he/she is a fielder only. The player pitcher must begin each pitch at a distance from the plate even with the pitching machine. For clarity, a 3-foot foot line extending from the edge of the safety circle shall be drawn on both sides of the pitching machine. The foot closest to the "**safety circle**" must be touching, but not on top of or inside the circle. For safety reasons, he/she cannot leave this position, even on an attempted bunt, until the ball exits

MP Baseball Interleague Rules

the pitching machine. The player pitcher may choose to wear a batting helmet which meets NOCSAE standards. A facemask, if worn, must be permanently attached to the helmet using the manufacturers' guidelines. No "softball" player masks will be permitted to be worn on defense. Pursuant to rule 1.17; Skull Caps are not permitted for use.

V. Playing Rules

1. Placement of the Machine (see attachment 1):

- a. Games will be played with a pitching machine placed at 46 feet from the point of home plate.
- b. A 4-foot radius circle (safety circle) shall be drawn round the center of the pitching machine. This is the safety area around the pitching mound and machine, which fielders may not enter.

2. Adjustment of the Machine:

- a. The machine shall be set at 38 MPH (typically 52% with a variable speed switch).
- b. The machine may be adjusted for accuracy at the beginning of a team's half inning at bat before the 1st batter. Each team shall have no more than 5 pitches to adjust the machine.
- c. The machine may be adjusted for accuracy during an inning at the umpire's discretion.

3. Adult Placement:

- a. During regular season play only; there will be one manager and not more than three coaches allowed per team and will be utilized in the following positions as described below in sections b. and c. Managers and coaches must be legal adults and/or approved volunteers with an up-to-date background check.
- b. When a team is batting, two adult base coaches are permitted to be on the field. These base coaches must remain in the coaches' boxes during play. One adult coach shall remain in the dugout to maintain order.
- c. An adult coach/manager will pitch to the offensive team's batters by feeding baseballs into the pitching machine from within the safety circle. This adult shall be one of the following;

MP Baseball Interleague Rules

- i. An approved volunteer with a background check on file with the local league.
 - ii. A coach/manager from the offensive team.
- d. The adult feeding the machine must always remain within the safety circle during play unless it is to prevent being hit by a batted or thrown ball.
 - e. The adult feeding the machine will place the ball into the machine immediately after presenting it to the batter.
 - f. The adult feeding the machine shall not coach in any manner during this half of the inning. Penalty; immediate ejection of the adult pitcher from the game.
 - g. If, in the umpire's judgement, any action by the adult pitcher interferes with a play in progress, the umpire shall declare a "dead ball" and will take such action, as the umpire deems appropriate to nullify the act of the interference.

NOTE: During special games tournament play, a designated person from the tournament committee will feed the pitching machine. No exceptions to this rule will be permitted.

4. Fielder Safety Circle

If any player crosses the safety circle during play or deflects or throws a live ball into the circle, the umpire shall halt play and award the runner(s) the next base to which the base runner was advancing. Entering the safety circle includes stepping into, falling into and/or placing any part of the player inside the circle. Additional bases may be awarded, per the umpire's judgement, for extra-base hits of intentional safety circle violations.

5. Rules Involving the Machine and Safety Circle

- a. If a batted ball hits the pitching machine, associated equipment (power box, cord, etc.) or the coach feeding the machine;
Ruling: Batter is awarded 1st base. Any runners will advance only if forced.
- b. If a batted ball is popped up, lands in the safety circle and comes to rest without touching anything;
Ruling: Dead ball, and batter continues the at bat (do-over)

MP Baseball Interleague Rules

- c. If a batted ball is popped up between home and the safety circle and is untouched as it hits the ground and rolls into the circle where it comes to rest;
Ruling: Batter will be awarded 1st base. Any runner(s) will be allowed to advance to the next base, which in the judgement of the umpire, the runner(s) would have advanced to if a play could have been made on the ball.
 - d. If a batted ball is popped up, lands in the safety circle, does not touch anything and then rolls out of the circle;
Ruling: Ball is live and in play
 - e. A batted ball rolls or passes directly through the safety circle without touching anything;
Ruling: Ball is live and in play
- 6. Infield Fly (rule 2):**
Infield fly rule is not in effect for this division of play.
- 7. The Batter (rule 6):**
- a. Continuous batting order shall be followed for all games – no exceptions.
 - b. The batting team will be retired when they have accumulated three outs of five runs in the offensive half-inning (whichever comes first). During special games tournament play, the five-run limit will be suspended for the 6th inning and any subsequent inning as needed.
 - c. Each batter will receive 4 pitches or 3 strikes to successfully put the ball in play. There will be no called balls or walks. If it is obvious to the umpire, that a ball cannot be hit, the umpire will call “no pitch” and award the batter an additional pitch. A “no pitch” is a dead ball situation.
 - d. There will be no called strikes. Missed swings and foul balls count as strikes just as in Little League Baseball. Foul balls on the 3rd strike or 4th pitch do not count against the batter, just as in Little League Baseball.
 - e. Bunting will be allowed. If a 3rd strike or 4th pitch is bunted foul, the batter is out.

MP Baseball Interleague Rules

8. The Runner (rule 7):

- a. During regular season interleague play; runners will not be allowed to advance unless the ball is put into play by the batter.
- b. During special games tournaments, runners may advance in accordance with rule 7.13.
- c. Special pinch runners are not allowed due to the continuous batting order. A courtesy runner will be permitted for the catcher of record (only), when there are two outs to allow the catcher time to prepare for the next half inning.

MP Baseball Interleague Rules

The player pitcher must start with one foot adjacent to (barely touching) the 4' safety circle and behind the 3' machine centerline. He/she may move after the ball is released from the machine. Note: either side of the machine is acceptable.

Center the machine directly above the pitcher's plate. This should roughly place the outlet of the machine 46' from the point of home plate.
